

Product Name :
Solar Energy Plant Off Grid

Product Code :
KGLOB1035001

Description :

Solar Energy Plant Off Grid 10kw 15kw 50kw 100kw Electricity Power Storage Systems

Technical Specification :

Solar Energy Plant Off Grid

Solar Panel: Poly 250W solar panel

Solar Inverter: 10KW EU standard or US standard

Solar Controller: 100A

Battery: 150AH (adjustable), gel free maintenance

PV Combiner Box: 6 inputs 2 outputs

Mounting Support: Pitched / flat roof, ground

Cable: Single-core 4mm² and 10mm² PV cable

Connector: MC4 connector

PV Tools: Fasteners, Cable Tie , Crimping Tool, Earthing Kit, Lighting Arrestor
