

Product Name :
Auto Garage Shop Cranes

Product Code :
KGLOB1113001

Description :

Auto Garage Shop Cranes

Technical Specification :

Color	Red
Capacity	15-20 ton
Max Lifting Height	1860 mm
Application	Workshop Usage

Shop Cranes:

For raising, lowering and transporting of automotive engines and other heavy shop loads.

Features:

- High capacity engine crane with added boom length, enabling it to be used on vehicles with long front ends where an extra-long reach is required
- Roller-bearing swivel casters with safety brakes to secure positioning
- Legs and boom can be folded quickly and easily to save space when not in use
