

Product Name :
12W 20Watt 25 Watt Adjustable LED Solar Street Light

Product Code :
KGLOB1032003

Description :

12W 20Watt 25 Watt Adjustable LED Solar Street Light

Technical Specification :

- Innovative all in one design, solar street light is built with the core components and microwave sensors.
- Solar led light can be adjusted up and down 30 degree, left and right 30 degree.
- Solar panel can be also adjusted up and down, left and right.
- External Led Light with big heat sink dissipate heat easily, ensuring the light works orderly.
- Integrated solar street light and intelligent MPPT energy management system save more energy.
- The Solar light can be choosed from 4 working modes by remote control, more convenient for user.
- Microwave motion sensor is more accurate than the PIR sensor in detecting moving object.
- Main structure is made by alluminum alloy material for anti crossion.
- Easy installation – No power required, no cables required.
