

Product Name :
Automatic Mineral Water Filtration Plant

Product Code :
KGLOB10244001

Description :

Automatic Mineral Water Filtration Plant

Technical Specification :

Type: Automatic , Semi-Automatic

Capacity: 250-500 litres per hour, 500-1000 litres per hour, 1000-5000 litres per hour, 5000-10000 litres per hour

Type Of Machines: RO, Water Treatment Plant

Automatic Grade: Automatic, Semi Automatic

Feed Flow Rate (cubic meter/hour): 0-500, 500-1000, 1000-1500, 1500-2000, Greater than 2000
