

Product Name :
Water Distillation Plant

Product Code :
KGLOB10244006

Description :

Water Distillation Plant

Technical Specification :

Capacity: 2000-3000 litres per hour, 0-200 litres per hour, 1000-2000 litres per hour, 200-500 litres per hour, 500-1000 litres per hour

Operation Mode: Semi-Automatic, Manual, Automatic

MOC: MS

Voltage: 220-440 V
