

Product Name :
Saddle Blankets

Product Code :
KGLOB20211024

Description :

Saddle Blankets

Technical Specification :

These are high Wool Saddle Blankets, super soft sweat absorber blankets for race course horses of high breeds which are 100% washable. The superfine range of Saddle Blankets, we offer, are very high in quality and performance. These are as warm as required in heavy snowfall. These Saddle Blankets are very soft and comfortable with strong threads and are tested for durability and cost effectiveness.
