Description :

Khanga and Kitenge

Technical Specification :

Khanga and Kitenge is traditional outfit which are wrapped around the waist like a sarong and is usually worn by people of the native. Tie it around on your head, shoulders or even your waist for a more stylish look. In multiple patterns, fabric and textures, the clothing is a favourite among women in general.

Easier to carry, these are light weight clothing materials which are meant to cover the lower half of the body due to tradition constraints. These clothing fabrics and items have messages imprinted on the edges. It could be a poetic message or a story in general. However, as contemporary features are more in business, these have been replaced by attractive designs which could geometric patterns which are not flashy but exude grace. It gives an old world charm to the one who wears it.

More inclined towards the cultural side, it is usually tough to understand the emotion behind the patterns of a Khanga and a Kitenge. It is of Tanzanian origin and can be affordable too. All you need to do is pick out the right pattern that screams your personality out loud. Make it your own by personalising it such that it feels comfortable.

We have used 100% cotton yarns in making of these outfits that we buy from the genuine and authentic vendors in the market. The bright prints of printed fabrics make them so elegant and attractive.
