

Product Name :
Relief Solar Lamp with Phone Charger

Product Code :
KGLOB22214024

Description :

Relief Solar Lamp with Phone Charger

Technical Specification :

Light source - 3 x Samsung LEDs
Light output high - 100 lumen/4.5 hours+
Light output medium - 20 lumen/15 hours+
Light output low - 5 lumen/100 hours+
Light distribution - 360-90 degrees

Charging & Battery:

Solar panel with 4 loops for fixture - 1.8W with hardened glass cover
Charging time PV - 3.5-8 hours depending on radiation
Charging time AC grid - 1.5 hours
Battery Spec - 1LiFePO batt. /1.400 mAh/3.2V
Battery protection - self discharge, deep discharge reverse polarity, trickle charge
Replaceable battery - Yes. 2,000 cycles. Expected battery lifetime 5-7 years
