

**Product Name :**  
Relief Solar Lamp with Phone Charger

**Product Code :**  
KGLOB22214024

**Description :**

Relief Solar Lamp with Phone Charger

**Technical Specification :**

Light source - 3 x Samsung LEDs  
Light output high - 100 lumen/4.5 hours+  
Light output medium - 20 lumen/15 hours+  
Light output low - 5 lumen/100 hours+  
Light distribution - 360-90 degrees

**Charging & Battery:**

Solar panel with 4 loops for fixture - 1.8W with hardened glass cover  
Charging time PV - 3.5-8 hours depending on radiation  
Charging time AC grid - 1.5 hours  
Battery Spec - 1LiFePO batt. /1.400 mAh/3.2V  
Battery protection - self discharge, deep discharge reverse polarity, trickle charge  
Replaceable battery - Yes. 2,000 cycles. Expected battery lifetime 5-7 years
