Description :

Corrugated GI Sheets

Technical Specification :

We have become the leading suppliers of Corrugated GI Sheets and our products are appreciated by our national and international clients due to high quality and consistent performance of our products. We know, every industry and construction companies work on some norms and guidelines and quality is the main factors they belong to. We never compromise on the quality and always use premium quality of material to design our products. We have a team of experienced professionals who believe in perfect work attitude so let along carelessness. We consider that cheap quality products can lead to serious accidents so we deliver products after going through so many analysis and tests.
