

Product Name :
Isobaric Filling Machine 3-In-1 Unit

Product Code :
KGLOB10011004

Description :

Isobaric Filling Machine 3-In-1 Unit

Technical Specification :

The series of machines are the integrated rinsing, filling and capping machine, suitable for filling various PET bottled carbonated beverages.

Production capacity (600ml) (b/h)	3000	5000	10000	14000
Filling precision	>± 5MM (Liquid level)			
Filling pressure (Mpa)	<0.4			
polyester bottle standard (mm)	Bottle diameter: ?50-?100 Heigh:150-320			
Suitable cap shape	Plastic screw cap			
Water pressure of washing bottle (Mpa)	0.18-0.25			
Water consumption of washing bottle (Mpa)	1300	2000	3000	4000
Spraying position	5	7	12	20

Dripping position	2.5	3.5	7	14
Gas source pressure (Mpa)	0.6			
Gas consumption (m ³ /min)	0.3	0.4	0.5	0.6
Power (kw)	5.03	6.57	8.07	10.07
Weight (kg)	3000	4000	5000	6000
Size (mm)	2460x1650 x2500	26400x1800 x2500	3000x2000 x3150	3600x2800 x3150
