

Product Name :
Manual Sticker Labeling Machine

Product Code :
KGLOB10251038

Description :

Manual Sticker Labeling Machine

Technical Specification :

Usage/Application Sticker Labeling machine
Bottle Type Round Bottle
Material M S Powder Coating
Type Labeling Machine
Speed 10 - 30 pcs/min
Capacity 10 - 30 pcs/min
Automation grade Manual
Voltage 180 V
Phase Singhal Phase

Due to our enormous manufacturing facilities, we are able to provide a comprehensive assortment of Manual Round Bottle Labeling Machines which is highly acclaimed and acknowledged in the market for their rugged construction and high strength attributes. Manual Round Bottle Labeling Machines offered are obtainable in varied specifications as per the needs and demands of our clients.
