

**Product Name :**  
L Sealer Machine

**Product Code :**  
KGLOB10251045

**Description :**

L Sealer Machine

**Technical Specification :**

Capacity Variable  
Power 220  
Voltage 180  
Type Sealing and Cutting  
Weight 55 kg  
Speed Manual  
Packing Speed as per your work  
Automatic Grade Manual  
Condition New  
Phase singhal Phase

**Features:**

- Heavy Duty Electronic Timer
- Adjustable working platform.
- 2-3 Second per cycle
