

**Product Name :**  
Automatic Coding Machine

**Product Code :**  
KGLOB10271046

**Description :**

Automatic Coding Machine

**Technical Specification :**

Power 230 Vac  
Weight 8 kg  
Printing Speed 90 per minute  
Voltage 230 Vac  
Automation Grade Automatic  
Display Type None  
Speed 90 per minute  
Printing Type Ribbon  
Driven Type Motor

The **Automatic Coding Machines** is a high speed printer also known as Batch Coding Machine designed to give clear legible codes
