

<b>Product Name :</b> Tube Sealing Machine	<b>Product Code :</b> KGLOB10271063
---	--

**Description :**

Tube Sealing Machine

**Technical Specification :**

Capacity 20 per minute  
 Packaging Material Tubes  
 Packaging Type Plastics Tubes  
 Power Consumption 100 Watt  
 Voltage 230 Vac

Tube Sealing Machine is suitable for sealing of Pouches & Colgate type Plastic Tubes. This is a portable & compact machine with digital temperature control & Electronic sealing Timer used to maintain the Temperature & Time required for sealing. Speeds upto 30 tubes per minute is obtainable.

Sealing Width / Length	7 mm / 4 Inches	2 to 10 mm / 2 Inches
Capacity	600-900 Tubes/hour	30 Tubes/Minute
Power / Max. Power	220V 50 Hz / 400 Watts	No Power
Dimension (W x L x H)	600 x 500 x 1200	150 x 200 x 80 mm
Weight	22 kg	6 kg
