

**Product Name :**  
Truck Loading Conveyor

**Product Code :**  
KGLOB10271086

**Description :**

Truck Loading Conveyor

**Technical Specification :**

Capacity 50-100 kg per feet  
Type Automatic  
Length 10-20 feet  
Height 10 Feet  
Belt Width 20-30 inch  
Operating Speed 2-3 m/s  
Usage/Application Truck Loading  
Power Kw 2 Kw  
Voltage 440 Vac  
Phase 3 phase

Truck Loading Conveyor that is used in loading boxes and gunny bags into truck and used for moving them into higher places for stacking purposes. Our clients can avail these at competitive prices and we meet customized requirement.
