

**Product Name :**  
Automatic Bottle Filling Machine

**Product Code :**  
KGLOB10271096

**No image  
available**

**Description :**

Automatic Bottle Filling Machine

**Technical Specification :**

Machine Capacity 60-1000 bottles/min  
Driven Type Electric  
Machine Type Automatic  
Material Stainless Steel  
Phase Single Phase  
Frequency (Hertz) 50  
Power Consumption 1-2 HP  
Voltage 220 V
