

Product Name :
Bottle Rinsing, Filling And Capping Machine

Product Code :
KGLOB10271100

**No image
available**

Description :

Bottle Rinsing, Filling And Capping Machine

Technical Specification :

Capacity (bottles/min) 120 BPM
Driven Type Electric, Mechanical
Machine Type Automatic
Voltage (V) 415
Condition New
Automatic Grade Automatic
Material SS

Bottle Rinsing, Filling And Capping Machine (RFC Machine)
