

Product Name :
High Speed Hologram / Top Labeling Applicator

Product Code :
KGLOB10271108

**No image
available**

Description :

High Speed Hologram / Top Labeling Applicator

Technical Specification :

Usage/Application Labeling
Bottle Type As per requirement
Type Fully Automatic
Product Type Fully Automatic
Accuracy 0.5mm
Roll Outer Diameter 150mm
Speed Up to 600BPM (LPM)

The is suitable for various types of label and ?lms sticking on container when required higher volume and label on conveyor line.

This economic model incorporates advance label dispensing system and capable of labeling up to 600 Lable/Min. depending on Length.

The high performance label dispenser incorporates advance microprocessor—controller to be installed in very fast packaging lines.

You can incorporate with assembly line or other packing line to get a high efficiency. The unique system creates

smooth label application operation and helps in achieve high speeds.
