

**Product Name :**  
Automatic PET Bottle Capping Machine

**Product Code :**  
KGLOB10271123

**No image  
available**

**Description :**

Automatic PET Bottle Capping Machine

**Technical Specification :**

Capacity 3000 Bottles per hour  
Automation Grade Automatic  
Voltage 220 V  
Material Mild Steel  
Weight 200 Kg  
Power Source Electric  
Frequency (Hertz) 50  
Phase Type 2
